Dear Friends:

On behalf of all the families that are staying, have stayed, or will stay at Ronald McDonald House Charities® of Memphis, Thank You! Your generous gift of \$1,500.00 has helped us to continue our mission of keeping children “near the care they need with the family they love” for over 31 years.

As the first housing facility for St. Jude Children’s Research Hospital®, we have served over 11,000 families from around the world and provided a home away from home during a difficult time when home seems so far away for families with a sick child. As our mission continues to grow with amenities such as a dedicated food service program and a new playground coming to our property in 2023, we need and appreciate the continued support of our extended community. We could not continue to provide a safe and secure home with warm beds and hot meals without you. Thank You!!

With deep appreciation,

Jill S. Crocker
